Does Evil Ever Die? Death ...as mystery...death as a new beginning

When Jon - a young man suffering “night terrors” - awakens covered in blood, he enters into psycho-hypnotherapy to find out if he might be the serial killer who the local media has been nick naming “Jack is Back!”. The sessions soon have him thinking he may actually be the reincarnation of Jack the Ripper.

At first, the psycho-hypnotherapist, Sarah Kilvington is skeptical about her findings, for she does not believe in “night terrors”, which are based on “past lives” and “reincarnation.” She knows Jon cannot actually be Jack the Ripper; he must merely believe that to be true in his subconscious mind.

But, regardless, if Jon believes it, and if he is guilty of the murders, then Sarah has a serious conflict to deal with, for she is both horrified and excited about the information coming out of these sessions. Sarah sees herself as gaining notoriety by writing a book about this case, but she is also gravely concerned that if her client truly is a murderer, he may kill again.

The more profound Jon’s hypnotherapy sessions become, the more Sarah’s skepticism decreases. Now, she fears her own life may be in danger.

Some Reviewer’s Comments (numerous 5 Star reviews at Amazon.com and SpiritDrivenEvents.com):

5.0 out of 5 stars - Help Stop Jack before his next Reign of Terror, July 28, 2013 By GoddessM - This review is from: Spirit Driven Events – “Jack is Back!” (Paperback)

The author has spent years researching Jack The Ripper and his victims and her work is ongoing to stop the next round of murders by the reincarnated Jack. There is definitely a movie script in this book and the sooner the better since it is not long now before Jack begins his next reign of terror. She has already rid one young woman (Present Victim #5) from the nasty spirit of Jack and now needs to find the other Present FOUR victims so she can help them. This book needs to be read and shared ... especially if you know of women in their mid-forties who have had "night terrors" all of their lives. I was awed by the book and the author's fearlessness to do the right thing.
